

Investor Update Deck

Presentation template / PPTX, Google Slides, PDF

Best for

Founders, operators, and teams sending monthly or quarterly investor updates

Summary

A clean investor-update deck for traction, metrics, risks, asks, product progress, and next-period priorities.

Sample Skills

- Investor communication
- Metric storytelling
- Board-style updates

Sample Impact Bullets

- Start with what changed since the last update.
- Separate metrics, risks, and asks so readers can act quickly.
- Use one slide for priorities and one slide for specific help needed.
